General Information:

The CB 750 Four K4 was primarily offered on the American market. The K4 was not officially exported to European markets. Our 750 Four K4 was sold on 26.04.1974 at the dealer "World of Honda" in Morganton for \$2,179. We have the original invoice. The deal took place in September 1974. Since then the machine has run exactly 3,106 km. It has not been restored. The machine is in original condition except for the seat and the tyres. The original slightly damaged seat and the first tyres are still present. The K4 is ready to ride and has been used for maintenance rides in recent years.
