General Information:

This Rumi was one of the last Rumis, delivered in 1962. Rumigold with blue lines was state of the art at the time and after more than 60 years, nothing has changed. Twin carburettors, large Grimeca drum brake, VDO speedometer up to 140 km/h, quick-release fuel cap, Marzocchi suspension fork and the distinctive headlight housing are as much a part of the Gentleman as the unique cloverleaf screws.
