General Information:

The 150 D MK2 was developed as an economical version. From todays perspective, this Lambretta is particularly attractive. Ferdinando Innocenti lived from 1891 to 1966. He succeeded in building a scooter empire. Licences for production facilities were granted worldwide. Production in Italy was discontinued in 1971. Our Lambretta 150 D MK2 dates back to the early years and is in very good condition. Thanks to expert restoration, we are delighted to be able to present this Lambretta.
