General Information:

Collectors all over the world discovered EGLI motorcycles years ago. The EGLI EVK series was sold with 900 cc, 1,000 cc and 1,100 cc engines. For Fritz Egli, this series, featuring Kawasaki engines, was one of his most successful product lines. Our EVK 900 with a 1,100 cc engine is a rarity. The EGLI was completely rebuilt a few years ago. We have photographic documentation and the original German vehicle documents.
