56KH11XX

Mileage:

36.776 km

KW (HP) ccm:

28(38)888 ccm

Price:

11.800 EUR VAT not separate identificationable

General Information:

The KH series from Harley-Davidson is rarely seen in Europe. The model range is now regarded as the forerunner to the Harley Sportster models. Our KH was launched in Germany in 1995. We share the view of the King, Elvis Presley, who first chose a Harley with this model and subsequently remained loyal to the brand. The model we are offering has identical chassis numbers and has been on display in a museum for the past few years.
