Mileage:

**12.411 km**

KW (HP) ccm:

**129(175)1299 ccm**

Price:

**10.800 EUR VAT not separate identificationable**

General Information:

Hayabusa means peregrine falcon in Japanese and for everyone else this designation stands for an extremely fast motorbike, which has led to membership of the 300 km/h club. We can offer a very nice example. The Hayabusa is the first version with a 340 km/h speedometer, as these models are popular with collectors.
