1.736 km

KW (HP) ccm:

100(136)998 ccm

Price:

27.800 EUR VAT not separate identificationable

General Information:

Only 700 units of the 998 S FE Final Edition were built. This model was the last in a series that also included the 916 and 996. The Testastretta engine installed in our model contributed to the creation of this outstanding sports machine. Of course, we deliver with a current service, because after all, the Ducati is also fun to ride on the road.
