General Information:

The number of sleepless nights many lads have had is unimaginable today. Even the launch of a new mobile phone cannot compete with the Ultra. Even though our Ultra is no longer in perfect condition, the K50 still looks pretty good. The age of the tyres, at 23 years old, makes it clear that this Ultra has been in collections for many years. This Ultra should be restored if the K 50 is to be back on the road like it was almost 50 years ago.
