15.03.1977

Frame Number:

60810XX

Mileage:

35.633 km

KW (HP) ccm:

51 (69) 971 ccm

Price:

on request

General Information:

The R 100 RS has enjoyed great popularity for many years. Around 33,000 vehicles were built. This RS dates from the early years of production, which is easily identifiable by its spoked wheels. With its full fairing, high cruising speeds were easily achievable. After an inspection and the fitting of new tyres, the RS is ready for extended motorcycle tours in conjunction with a blast back to the early 80s.
