Frame Number:

**40746XX**

Mileage:

**1.349 km**

KW (HP) ccm:

**44 (60) 892 ccm**

Price:

**on request**

General Information:

The design of the R 90 S is based on Hans A. Muths development. Our version in Daytona Orange comes from the second series, which was not launched until 1975. With a top speed of 200 km/h, the BMW R 90 S was state of the art at the time and has since become a must-have in any ambitious motorcycle collection. Our R 90 S needs a current inspection, new tires, and we would recommend a tank refurbishment. Matching numbers and German papers round off the offer. The mileage stated was recorded after the restoration carried out a few years ago.
