General Information:

Unlike the standard R 1100 S, the Boxer Cup models feature a higher suspension and a wider rear wheel rim. In the second series, introduced in 2004, the Boxer Cup models were offered without ABS. This Boxer Cup is in excellent original condition. Depending on the customer's preference, a recent service can be performed, including the installation of new tires. A solid, sporty motorcycle from BMW that retains its value. Our Boxer Cup was manufactured on 24 June 2004. It was delivered in Germany on 28 September 2005 as the US Boxer Cup version, featuring the 0426 special edition Boxer Cup Replica 2004 specification package. The engine number is: 2647XX
