General Information:

**Herbert Schrek will be delighted, as the G 650 Xcountry is lighter and the suspension has been adjusted to optimise it for occasional enduro riding. Our G 650 Xcountry is a second-hand bike and is in very good condition due to its low mileage. The German vehicle documents currently show a power reduction to 31 kW, which we can correct at any time. A service and new tyres will have the G 650 fully ready for action again this season.**
