General Information:

The Bimota KB1 has been one of the most sought-after collectors items produced in Rimini for years. The KB1 was manufactured between 1978 and 1982. Bimotas KB1 was a huge success, and not just for fans of the Kawasaki Z900 and Z1000. The design of the KB1 was, and still is, simply attractive. We are able to present our KB1 in a very fine original condition. The bike underwent a full service in April 2026.
