GS 800 Schek

First Registration:

05.10.1978

Frame Number:

XX

Mileage:

375 km

KW (HP) ccm:

44(60)1.017 ccm

Price:

on request

General Information:

A European champion knows exactly how an enduro bike should perform. Our GS800 Schek is part of Herbert Schek's famous limited-run series. Seventeen machines were licensed at the time. Compared to the standard production model, his concept focused on weight reduction, increased power and chassis modifications. Our Schek was restored a few years ago and has since covered 375 km. In its current condition, fitted with an electric starter, the GS weighs 160 kg. German vehicle documents are available.
