Mustang SS

First Registration:

1966

Frame Number:

137XX

Mileage:

KW (HP) ccm:

3(4)48 ccm

Price:

7.800 EUR VAT not separate identificationable

General Information:

With the Mustang SS, Tartarini was once again quick to recognise the spirit of the times, as young people didn't want to sit at home waiting for their mobile phones to finally arrive. The Mustang SS, inspired by motor racing, was the ideal means of transport. The ventilated double-simplex brake on the front wheel, the fuel tank with integrated speedometer, and the robust frame design made it a success.
