1972

Frame Number:

Mileage:

32.056 km

KW (HP) ccm:

44(60)498 ccm

Price:

9.800 EUR VAT not separate identificationable

General Information:

Development of the H1 500 Mach III began in the late 1960s. The goal was to create a fast motorcycle with excellent acceleration. Thanks to its design, the team which worked under the project name 'Project Blue Streak' succeeded in creating a classic that has been popular with collectors and enthusiastic fans for decades. Our example is in excellent restored condition and comes from a fine motorcycle collection.
